

Aqua Mix Trained Independent Care & Maintenance Applicator Course Sydney – August 2009

Become one of a very select group of **Aqua Mix Trained Independent Care & Maintenance Applicator** with the tools and know-how to specialize in trouble shooting, sealing, cleaning and refinishing of tile, natural stone and grout surfaces for both residential and commercial installations.

Aqua Mix is an industry leader in hard surface cleaning and maintenance products. We are uniquely qualified to train you or a designated employee, to take advantage of this business enhancement by becoming an **Aqua Mix Trained Independent Care & Maintenance Applicator**.

This comprehensive classroom and hands-on workshop is designed and taught by professionals in the Care and Maintenance business. The curriculum includes the newest techniques and information on the latest products for hard surface cleaning and maintenance. Instructors will provide the practical step-by-step training needed to begin an applicator business or to expand the services of your existing business.

Aqua Mix now offers IICRC continuing education credits (CEC)

Aqua Mix, the industry leader in delivering innovative, water-based products for stone, tile, masonry, and grout, announces that its Independent Applicator Program (IAP) now offers IICRC Continuing Education Credits (CECs) for IICRC registered technicians in the cleaning and restoration industry.

Aqua Mix's IAP training program received CEC approval by the Institute of Inspection, Cleaning and Restoration Certification (IICRC). By attending Aqua Mix's IAP Training Program registered technicians will qualify to earn two CEC units.
